OverDrive is the leading digital reading platform for government agencies, public libraries, universities, companies and schools worldwide. We are dedicated to creating “a world enlightened by reading” by delivering the industry’s largest catalog of ebooks, audiobooks and other digital media to a growing network of 50,000 libraries and schools in 78 countries.

Video Demo Details

Digital libraries help organizations work smarter, solve challenges and increase performance in a cost-effective way. OverDrive Professional, the market leader, can help. This webinar is for government agencies and departments interested in learning about OverDrive’s digital library service and for long-time OverDrive users who want to get the most out of their ebooks and audiobooks. OverDrive Account Manager Lindsey Levinsohn will guide you through some of the popular features OverDrive provides organizations like yours.

We’ll discuss:

- How real-time data can help optimize your digital collection with dramatic savings
- Building your digital collection by understanding the lending models

OverDrive offers

- Our award-winning Libby app and the 10 ways Libby can help you reach readers
- Powerful free tools to promote your digital library

By the end of the session, you will come away with a roadmap for success with your OverDrive digital library.
