

Library Support Services

FEDLINK offers short- and long-term staffing contracts for federal libraries.

Using FEDLINK's Transfer Pay option, federal libraries across the country have access to vendors offering staffing in a variety of areas:

- » Collection management
- » Public services
- » Technical services
- » Data services
- » Training and education
- » Library management

FEDLINK awarded five indefinite delivery, indefinite quantity (IDIQ) library support services contracts for both on-site and off-site work to the following vendors:

- » [BackStage Library Works](#)
- » [FedWriters](#)
- » [Kelly Services](#)
- » [LAC Group](#)
- » [Zimmerman Associates](#)

On-site staffing may include the following information professionals:

- » Librarians
- » Library project managers
- » Technical information specialists
- » Library technicians
- » Library clerks
- » Training specialists
- » Library systems managers
- » Archivists
- » Archive technicians

Off-site technical support services support a variety of projects:

- » Full or copy cataloging
- » Metadata creation for digital assets
- » Processing physical materials
